NEXT MEETING AGM

MONDAY 2nd MAY 2011 at 1:30 pm
GLENFIELD LEISURE CENTRE

FROM OUR PRESIDENT

As I am writing this, the weather report is for rain, never mind about direction etc. The one thing is always right, if you go out in it, it will be WET!! Our guest speaker last month was Mr Ken Brierly from the Meteorologist Dept. His summary on the NZ weather, we are the wrong shape. Should be lying flat, and hopefully that will never happen.

At our April meeting a request was made from the 60's Up Executive, asking what you would like to see in the "Focus" magazine. Please put your ideas in writing, so I can take them to the National Conference in Tauranga in June.

Reminder - this month is our **AGM meeting**. Please nominate your recommendations, or if you would like to be on the Committee please put your name forward.

Your Committee this last year has done their best for the Branch, BUT new members come with new ideas, and that's what is always wanted. As I am not standing for President, I wish to thank those who have supported me over this last year. We have tried very hard to keep the bus trips going, so once again a bus convener would be very welcome. Many thanks to those who have supported our outings this last 4 months.

Joan Perkins

The Glenfield Branch is in for some changes – health problems and age have forced some compulsory retirements from some of our Committee.

SID TRIBE - after serving the branch for 21 years and reaching the age of 95 has decided to retire! He has been "Everything" over the years – he and his late wife Freda served the Branch unstintingly in all capacities and he was awarded Branch Life Membership. His legacy is being carried on by his daughter Janet Keeble, who is our Treasurer.

JOAN PERKINS - Our President has been told to take life more easily (not easy for her!). We thank her for stepping in last year and holding the branch together. (Her second term as our President). Joan is interested in keeping the trips going.

BRYAN BONIFACE - was our Secretary for seven years. He and his wife Barbara have also labelled and sent out the Newsletter for many years since the retirement of Margaret Scarrott. Bryan is willing to look after the sweets and continue as our Auditor, for which we thank him.

IAN POMEROY – has been a whiz with the computer and put our Newsletter together very professionally for some years. He

also keeps the Branch List up to date. He has been our President as well as our Secretary. We are sorry his health has intervened, we will miss his input. His wife Audrey will continue to fly the flag for the family. Our thoughts are with him at this time.

With all these changes to our wonderful committee, we are now in need of a new President to conduct our monthly meetings, chair the committee meetings, write a paragraph or two for our newsletter and represent our Branch at the 60's Up Executive level. It is an important role and with all our talented members there is bound to be someone who will be willing to lead us from June into 2012! If this sounds like you, please put your name forward before the AGM on 2nd May. If you want a chance to have your say on what our Branch is doing – join the committee.

WHO IS GOING TO EDIT OUR NEWSLETTER?

The time has come when the Branch needs another editor for the Newsletter. You DO NOT have to be a "computer wizard" I only use WORD, it's just a matter of knowing where to find all the effects if you want to use them.

The Committee provide the information for the Newsletter, it's just a matter of juggling and some times re-juggling to get it to fit. DEAD LINE is normally two weeks before the next Months Meeting Date. Please contact Janet our Treasurer and she will send you a template to get you started in time for next month!

TRADING TABLE

The suggestion has been made that people who contribute either baking or plants for the Trading Table give some indications of the price they expect us to sell it for. You know roughly how much it costs to make or what you would pay for a cutting on the stalls you frequent! It would be a big help to guide the people pricing on the stall. Thank you.

MAY BUS TRIP***Muriwai on the West Coast***

When: Wednesday 18th May
Spectacular sea views. Centuries ago the headland was settled by the Maori Ngati Whatua Tribe who took advantage of the strategic location and rich food supplies. Today the Australasian Gannet nests and breeds here and is a popular attraction for the public. We will stop there for a short time and then continue on to the Muriwai Golf Club for lunch.

Cost: \$34.00 pp

Depart 10 am: Glenfield War Memorial Hall/Chartwell Shops.

MONTHLY LUNCHEON

When: Tuesday 31st May

Cost: \$13.80 pp
