Presidents Report September 2011

Winter has gone – spring is here and we are all looking forward to better weather less sickness and more outdoor activities (after the world cup).

We have a small subcommittee set up to help and plan the outings and it is working well. Those involved are Janet Ulyate, Stephanie Dunce and, no show without punch, myself. Because of cost we have tried to take advantage of the free Public Transport by using our gold card and travelling between 9 am and 3 pm.

Our first foray was to the Carter Observatory on the 20th July. 21 members went along. All enjoyed the outing – going to the observatory and then “please yourself” – shopping, eating etc and return home. No one got lost completely and it was a great success. We followed the same pattern on 3rd August and visited the old Government Buildings. 15 members went along – sadly the weather let us down on that occasion by becoming extremely cold – none the less a good day out and enjoyed by all.

We all like to travel by bus from the hall to the destination but it just isn't practical where we only have around 20 members attending. Hence, we have cancelled our trip to Murrayfield on the 21st September. The cost of the bus and entry plus food made it just not possible. However all is not lost and we may well do the trip in 2012.

Our mid winter Xmas dinner was a little disappointing for members so we went to the Fisherman’s Table at Paekakariki – 34 members and 5 from Upper Hutt branch made it all possible. Lovely meals and great company – lots of chocolate consumed following our visit to the Chocolate factory at Raumati which we hope made up for the disappointment of Xmas dinner. Enjoyed by all.

We have a variety of speakers and entertainment coming up:

- 28th Sep – Geoff and Roger (Musical Duo)
- 12th Oct – Pinkie Agnew (Birthday meeting)
- 26th Oct – To be advised
- 9th Nov – Happy Wanderers (Singers)
- 23rd Nov – Paul Swain (Wellington Regional Council)
- 14th Dec – Christmas Dinner at the Pines.

Outings:

- 5th Oct – Train trip to Kapiti Coast
- 20th Oct – Carol and Peter Rankin’s Garden (Stokes Valley)
- 14th Dec – The Pines at Houghton Bay

It is possible to take a bus trip around the Ports of Wellington, we are looking into that. Also in January, taking a trip to Otaki – lots of interesting things to do there.

We will keep you informed of any new developments!

Of course, if you have any suggestions for entertainment or outings, please let us know.

We are looking forward to an interesting and fun end to 2011.

Best Wishes and Take Care

Shirley
