

### ACTIVITIES:

One of the original aims of the 60s-Up Movement was to promote activities for the older person, with each branch free to make their own choices.

Torbay Branch gets involved in various ways.

**Walking** is one popular activity for our branch. There are two walking groups. Both have chosen Wednesday mornings for their outings.

The first group meets at 9 am and walks for about 4 hours over a predetermined route. Jean Adams is the member to contact, on 478 2462.

The second group meets at 9.30 am; Roy Urlic is your contact, 473 8777.

**Cards** - Some of our members like to play card games. If you like the game of 500 then get in touch with Wanda Sandford on 473 9538.

**Mah Jong** is also very popular - your contact is Nala Milne, on 473 0413.

Would ALL members please ensure they pay their DOOR FEE (only \$2.00) at every monthly meeting.

There have been occasions when the headcount does not match the door payments. This money is vital to the branch—and who knows, you might win the door prize!

### TORBAY BRANCH NEWSLETTER

February / March 2009

Well, here we are at the start of a new year again. Don't they seem to fly by! I thought it would be nice to have a few pictures from some of last year's trips as a reminder to those to went, and to show those who didn't what a great time everyone has. *Editor.*

## WELFARE

Please advise our Welfare Officer, Jean Sheldrake, on 479 4072, if you know of any member who is not well.

## SPEAKERS and ENTERTAINMENT

### 10 February NZ Film Archive

Many of you came to the K Road office of the Film Archive a few months ago and enjoyed a selection of film clips from the 1960s. Today, the Film Archive is specially bringing to us a collection of old North Shore films.

### 10 March John Leyland

A general talk on succulents and decorating pots. Plants *for sale* at special prices.

### 14 April 'Grace Notes'

This talented ladies' choir from the North Shore will be entertaining us with some fine singing.

### 12 May Peter Loft

A talk called 'Failure is Not an Option' by Peter, chairman of the NZ Achilles Foundation, which is involved with handicapped people running marathons.

## TRIPS and OUTINGS

### Tuesday 17 February - RAKINO ISLAND

Our trip next week is a cruise to Rakino Island, past Rangitoto. Departing from Westhaven, we'll visit Islington Bay on Motutapu before cruising on to Rakino. As the tide will be right, we can go ashore for about 30 minutes to see Sir George Grey's home, built in the 1860s.

Morning tea and a picnic lunch will be

served on board. There may still be room for a couple more.

*(Apology - incorrect date last newsletter.)*

Cost \$35.00 (subsidised)

Leave Torbay 9.15 am

### Tuesday 17 March - MOTAT

We can use our Gold Cards (now SuperGold Cards!) for FREE entry to explore the many interesting displays at MOTAT. Discover New Zealand's rich colonial history; be inspired by what New Zealand women have achieved when you visit the exhibition 'Girl Power'; visit the Sir Keith Park Memorial Aviation Collection, one

of the most comprehensive exhibits of aircraft in Australasia; remember yesteryear and take a tram ride. There are so many things to see and do at MOTAT.

There is a café for snacks, or take your own and enjoy a picnic lunch at one of the pic-

nic spots. Don't forget to bring your Gold Card!

Cost \$10.00

Leave Torbay 9.30 am

### Tuesday 21 April - WAIHEKE ISLAND

We are booked for a sightseeing tour of the beautiful island of Waiheke. Take a browse around Devonport before boarding the Quickcat for the 40 minute trip to Waiheke. We will be met by our friendly coach driver on arrival, who will take us on a 1½ hour guided tour of exploration, to see all the many wonderful developments and sights of the island. We will enjoy lunch at the local RSA and then be driven back to board the ferry at 4 pm. *We are limited to a maximum number of 40 people, who need to be Super-Gold Card holders. Again, don't forget to bring it!*
